

## A MASTER'S HAND

is what your battery needs.

Storage Batteries must have intelligent care. They are built by "MASTER HANDS" and "MASTER HANDS" must maintain them. Improper treatment will shorten the life, perhaps ruin your battery.

Robinson Motor Car Co.

THE SOONER  
YOU BUILD  
THE CHEAPER  
YOU ARE LIKELY TO BUY

THAT may seem queer talk under present building cost but we make the prediction advisedly.

For some years to come our export of building materials is bound to be immense.

For some years to come we will be unable to catch up with the demand at home.

We honestly believe we can sell to you cheaper today than we can later on.

**D.S. McCLANAHAN**  
HOME BUILDER  
COLUMBUS, MISS.

Washington Cedar Shingles  
WE HAVE ON HAND ALL GRADES FROM  
THE BEST TO THE CHEAPEST  
**FALK & STOLZER**

### Which is the Cheapest?

First cost is not the only cost of the ordinary farm wagon. Cost of repairs, delays, breakdowns, etc., must be considered. Figure it out for yourself. Thousands of wagon buyers have figured it out and found that

**Old Reliable  
Peter Schuttler Wagons  
Are Cheapest in the Long Run**

Because they are built in the careful, old-fashioned way by expert wagon builders. Only time seasoned, air dried lumber is used, and only the best materials that money will buy are good enough for Peter Schuttler Wagons. This conscientious, honest process of wagon building in the most modern and completely equipped wagon factory in the United States produces a wagon of superior quality, that gives greater durability and more satisfactory service. It is cheaper in the long run because it stands the wear without repair.

Don't suffer the misery of indigestion when you can get relief from One dose does the work. Try it. Price 25¢ per Bottle. Sold by all dealers.

### CALEDONIA.

On the morning of August the fifth, the pure spirit of Mrs. Fannie Wells slipped out of its frail home of clay and went back to the God who gave it, after spending seventy-seven years here on earth.

Grandma, as she was commonly called, had a lovely disposition, a beautiful Christian character and a gentle, sympathetic nature. She was charitable in her judgment, generous in her love. She cherished no bitter animosities. She spoke no burning words of sarcasm. Every one loved her who knew her. She was a patient sufferer, and during all the long dark days of her last illness she never murmured, but always wore a sweet smile. Such a character makes the world richer, makes life better and her going leaves her friends and loved ones all the sadder. The community feels great sympathy for the surviving children, who lost so much in a mother. She was tenderly laid to rest Wednesday afternoon in the Rowan cemetery.

On last Sunday Rev. B. F. Lawrence filled the pulpit in the Presbyterian church in Caledonia. He is a most eloquent speaker, holding his hearers spell-bound. He is possessed of that pure and lofty spirit and seductive power of persuasion, that deductive power of reasoning, that will triumph in the end. Rev. Lawrence has recently returned to his childhood home, after spending several years preaching in Illinois and also in the far-away East.

Mr. and Mrs. C. Morris, of West Point were called to Caledonia last week by the illness and death of Mr. Morris' mother, Mrs. Fannie Wells.

The writer made a delightful motor trip from Caledonia to Artesia by the way of Columbus last Friday. We found the crops parching up by the hot north winds. The hay crop is extra fine. Saw hundreds of tons cut and stacked, ready for the baling. The fine southern hospitality of the people in this section cannot be excelled anywhere in the state.

Mr. J. W. Vaughn sold his farm for thirty dollars per acre to a gentleman from Tennessee. We have not learned where Mr. Vaughn expects to go. There are other parties here from Tennessee wanting to buy land in the Caledonia section.

Mr. James Stillman is welcomed home from an extended trip in the west, spending part of his time in New Mexico.

Mr. A. B. Lawrence, a popular business man of Columbus, spent last week visiting relatives in Caledonia, spending sometime in the home of his uncle, Mr. S. L. Darnell.

Mr. Tom Hanington, a successful business man of Memphis, Tenn., is and relatives in and around Caledonia are giving him a cordial welcome.

Messrs. L. D. Barrentine and J. B. Egger transacted business in Birmingham, Ala., last week.

Mr. E. J. Lundin, a prominent business man of Chicago, was an honored business visitor in Caledonia Monday of last week.

Hon. O. E. Johnson, of the Columbus bar was shaking hands with his friends on the streets of Caledonia Monday, having come out on legal business.

Mr. and Mrs. L. D. Barrentine and Mrs. H. B. Egger motored to Vernon, Ala., last Friday.

Mr. C. W. Jernigan transacted business in West Point last week.

Miss Delphia Andrews, Mrs. Florence Hannell and daughter spent last week visiting relatives in Ensley, Ala.

Mrs. Josephine Duncan Egger, after spending two weeks at Mentone Springs on Lookout Mountains, has returned to Birmingham where she is visiting relatives.

**Look and Feel  
Clean, Sweet and  
Fresh Every Day**

Drink a glass of real hot water before breakfast to wash out poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath.

Persons who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, an indigestion, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnation.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, biliousness, stomach trouble, rheumatism, others who have yellow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

## FOR BILIOUSNESS TAKE A CALOTAB

The Nauseless Calomel Tablet That Does the Work Without the Slightest Unpleasantness.

Ask your doctor and he will tell you that calomel is the best and only sure remedy for a lazy liver, biliousness, indigestion and constipation. Now that all of its unpleasant qualities have been removed calomel, in the form of Calotabs, is the easiest and most pleasant of all laxatives to take. One tablet at bedtime, with a swallow of water—that's all. No taste, no griping nor nausea. In the morning you feel simply fine—live, wide-awake, energetic, strong and with a hearty appetite for breakfast. Eat what you want and go about your work—no danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents. So sure, and delightful that your druggist offers your money back as a guarantee that you will be perfectly delighted with Calotabs.—(adv.)

### GUSHER NEAR GREENVILLE.

Greenville, Miss., Aug. 7.—Evidences of oil and gas were noticed on the plantation of G. G. Alexander, son of Sheriff George B. Alexander, some time ago and Monday Mr. Alexander decided to draw the pipe of an old driven well which had ceased to produce water from the ground. The withdrawal of the pipe brought a gusher of gas, which burned when a lighted match was applied. An expert visited the place today, which is located on Lake Washington, 25 miles south of Greenville, and pronounced the gusher to be petroleum gas. The well will be developed at once.

### GUN SHOOT RESULTS.

The following are the results of the Thursday shoot of the McGowan Gun Club as announced by Secretary H. K. Robinson:

80 Shots Event.	
Tom Evans.	79
Jacaway.	77
J. H. Basket.	76
Fred Botts.	76
Conoway.	75
H. S. Walker.	75
Jennings Hardy.	75
Willis Garth.	75
Eugene Hardy.	73
Allison Hardy.	72
W. D. Sanders.	72
Leo Flynn.	70
George Hairston.	70
Richard Owen.	67
Herman Owen.	66
60 Shot Event.	
T. H. Robertson.	55
L. M. Dashiell.	52
Thomas Evans.	49
O. Pope.	47

### REGISTERED SHOOT SOON.

The registered shoot of the McGowan Gun Club which was scheduled to be held some weeks ago and which was postponed on account of the death of Mr. R. B. Hardy, will be held the last Friday in August. The shoot will be held under the rules and regulations of the American Troop-shooters Association and sportsmen from all over this entire section and from distant points will be present for the event.

There will be a barbecue and Brunswick stew dinner and an occasion of unusual pleasure and interest is assured. Arrangements for the shoot are being made by Mr. H. K. Robinson, secretary of the club. Further announcement of the shoot will be made later.

## Weekly Health Talks

A WORD ABOUT THE KIDNEYS  
BY DOCTOR WATSON.

People are easily frightened when they think something is the matter with their lungs or heart, and well they may be; but few people understand the dangers of diseased kidneys. These organs have a duty of vital importance to perform, and if they are diseased, there is no telling how or where the symptoms may appear. The kidneys are filters, and when they are healthy they remove the poisons from the blood and purify it. When the kidneys are diseased, the poisons are spread everywhere, and one of these poisons is uric acid. The uric acid is carried all through the system and deposited in various places, in the form of urate salts—in the feet, ankles, wrists and back—often forming bags under the eyes. Sometimes the resulting trouble is called rheumatism, lumbago, sciatica and backache. Finally, come stone in the bladder, diabetes and Bright's disease.

Dr. Pierce, of Buffalo, N. Y., in recent years, discovered that a certain combination of remedies would dissolve uric acid (urate salts) in the system. He found this combination to be harmless, so that he made it up in tablets, of double strength, and called them Anuric Tablets. They dissolve uric acid in the human system as hot coffee dissolves sugar. If you have uric acid troubles, don't delay in taking Anuric Tablets, which can be secured in the drug stores. You can write Dr. Pierce, too, and he will tell you what to eat and how to live so that more uric acid will not form in your system. Dr. Pierce will not charge for this advice.

# WRIGLEY'S

You will find all three flavors in the sealed packages—but look for the name

**WRIGLEY'S**

because it is your protection against inferior imitations. Just as the sealed package is protection against impurity.

The Flavor Lasts!

## Old Resident Given Up by Physicians

"Given up by five doctors, my only hope an operation. I rebelled on cutting me open, as I am 75 years old. A neighbor advised trying Mayr's Wonderful-Kidney for stomach trouble. I got relief right away. I had not eaten for 10 days and was as yellow as a gold piece. I could have lived only a few days but for this medicine." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Weaver & Harrington and druggists everywhere.

Mr. J. W. Richardson, who represents a large automobile manufacturing company in the State of Louisiana, is spending a few days with relatives in this city. He is being cordially welcomed.

## Don't Overlook

A Careful Perusal Will Prove Its Value to Every Columbus Reader.

The average man is a doubter, and there is little wonder that this is so. Misrepresentations make people skeptical. Now-a-days the public asks for better evidence than the testimony of strangers. Here is proof which should convince every Columbus reader. Ask your neighbor!

R. L. Powell, traveling salesman, 1115 Seventh St., North Columbus, says: "I have used Doan's Kidney Pills on different occasions in the past for kidney trouble and I have decided they are a household medicine. Sometimes my kidneys would become profuse in passage and cause my back to ache. Doan's Kidney Pills have always cured these attacks when I have needed them and I gladly give this endorsement."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Powell had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## Where the Gulf Breezes Blow.

Mississippi Gulf Coast

When the real hot days come think of the cooling breezes that blow on the Mississippi Coast. Makes little difference if they do tangle up your hair and create an appetite that is hard to satisfy, they are cool.

Pack the old trunk with a few clothes and come along. Ladies bring your hair nets, tennis shoes and bathing suits. Gentlemen bring your golf clubs, fishing tackle, etc. Or, these can be bought or rented here if preferred.

Forget business and home cares for a few days, enjoy a real vacation amid ideal surroundings for a few days and go back feeling like new and fit for work again.

While on the coast stop at a hotel that places the comfort of the guest ahead of everything else. Right in the heart of everything. Send for rates and information.
